Dated April 23, 2021

My dear Students,

I trust and pray this letter finds you in healthy mind and state. We, at the Central University are deeply disappointed and worried over your absence at the Campus. The Campus is dry and without life, without you, saddening the entire teaching community. However, we consider your physical and mental health are of paramount importance to us. We are aware that online classes can never supplant the real class, but can always supplement. We are doing our best to tide over the crisis through online classes. At this critical time, all have to stand together to overcome the COVID 19, and we will come out with a reasonable amount of realization of our aspirations.

I strongly urge you to follow the health guidelines rigorously and try to be a role model for the community as you now represent the CUK family. Heavens are not lost. Things will come back. Future is yours. I am certain, we together can dream of a great life to you, and to the entire nation. Have confidence in yourself, become strong mentally and fight out.

You have the will and energy. I pray sincerely for your good health and future. Looking forward to meeting you all in person, eagerly, as early as possible.

Yours Sincerely

Prof. H. Venkateshwarlu
