**MBT5031**

**MOOC**

Course Code	MBT5031	Semester	III
Course Title	MOOC		
Credits	2	Type	Elective

### **Course Description**

The course provides added knowledge on different academic streams to supplement tourism studies and to enhance learner's multi-disciplinary skills.

### **Course Outcome**

By the end of the course, students are expected to be able to:

- CO1: Earn various add-on knowledge required for the tourism, travel, and hospitality sector employability.

### **Course Structure**

MOOC is an online course with the option of free and open registration, a publicly shared curriculum, and open-ended outcomes. MOOCs integrate social networking, accessible online resources and are facilitated by leading practitioners in the study. Most significantly, MOOCs build on learners' engagement who self-organize their participation according to learning goals, prior knowledge and skills, and common interests. MOOCs are available to students to supplement their learning and personalized learning environments.

In this course, Students can register for an approved MOOC course within the period of the semester. A certificate need to be submitted to the department before the commencement of semester end examinations. Marks and credits will be awarded based on the certificate of MOOC.
