Dr D Mavoothu offered the following suggestions:

1. Case studies to be discussed for the courses.

2. More inputs from Indian Epics (Mahabharatha and Ramayana) and value system can be used rather than the Western inputs in teaching the paper 'Corporate Governance and Business Ethics'.
3. The last two modules (IV AND V) in paper 'Corporate Governance and Business ETHICS' can be used for teaching Business Ethics and first three modules can be for Corporate Governance. He has suggested a detailed structure of IV and V module.

Dr. N Ragavan made suggestions for the following subjects;

1. International Financial Reporting Standards – He suggested that the disclosure and treatment matter should be given priority from learning perspective and all IFRS to be introduced.

Decision: The board took note of the suggestions on the courses on SWAYAM that a student could opt. It was suggested that SWAYAM Courses to be offered at any time during the course duration but preferably in First, second and third semesters. The credits earned by the students in the SWAYAM should be incorporated into the grade sheet of the students.

Agenda 4: Any other matter of relevance.

The members made different suggestions on the way curriculum could be structured.

1. Number of units for the elective papers to be reduced to four.
2. In the subject Marketing Management, more practical aspects need to be incorporated.
3. Students should be made familiar with the online recruitment sites and profile creation in such sites, by including it under the subject Human Resource Management.

4. MSME website and its importance to be highlighted in the subject Entrepreneurship Development.
5. Dr B H Suresh made a suggestion connected with the regulations. He pointed that the rules relating to the failure of students in any exam and re-conduct of exam is not clear in the regulations. The HOD clarified that these are governed by the CBCS regulations of the CUK. Another point was that in his opinion the Vice Chancellor should have the power to modify the regulations or to solve a problem any time but not only up to three years. The suggestion is accepted and the relevant clause has been changed to incorporate this suggestion
