Dear Dr Prasad

This offer letter replaces my previous offer dated 3 January 2014.

I am very pleased to offer you a position in the Department of Nuclear Physics as a Postdoctoral Researcher (Academic Level A) with the Australian National University (The University), commencing on a date to be confirmed. You will report to the Head of Nuclear Physics. Professor David Hinde currently holds this position.

Your commencing total remuneration package will be \$92774 pa including the University's superannuation contributions to UniSuper at 17% of your base salary.

The University will fund a total reimbursement of up to \$3000 for travel, visa and removal expenses for you. Further details are in the attached relocation document and at: <http://hr.anu.edu.au/info-for/new-staff/relocation-information>

Further details of our employment offer to you are set out in the attached documentation. Please read them carefully.

To accept this offer of employment you will need to sign below, complete the relevant enclosures and return them to the contact officer by 20 January 2014. If you have any queries, please contact your supervisor or the contact officer.

I am pleased to welcome you to Australia's finest University, and I trust that your contribution as a staff member will enhance the University's future.

Yours sincerely

Professor Stephen Buckman
Director – Research School of Physics and Engineering
