Dear Sijin Kumar Adukkam Veedu,

PAGES and the Local Organizing Committee appreciate your desire to participate in the 5th PAGES Open Science Meeting in Spain in May 2017. The LOC received more than 300 requests for financial support for the OSM.

The Scientific Program Committee is pleased to inform you that PAGES is able to offer you a maximum amount equivalent to **950 EUR** to assist with your attendance. This can cover or contribute to travel, accommodation and registration costs.

The funding will come as **reimbursement** of your expenses after the meeting, when you will be asked to return a 'financial statement' form listing each expense separately. Original receipts for these expenses must be provided. For travel expenses, either an original receipt from the travel agency or, in the case of an e-ticket, a copy showing the cost of the flight ticket is accepted. Payment will be by bank transfer.

Please don't forget to pay your registration for the OSM. We remind you the deadline for early registration is **20 February 2017**. You will receive the 'financial statement' form, which outlines the details of how the funds will be reimbursed/transferred to your bank account, as soon as you confirm your participation. If (and only if) the refund system poses insurmountable challenges for you, please contact Dr Barbara Gerber ([barbara.gerber@pages.unibe.ch](mailto:barbara.gerber@pages.unibe.ch)) to find an alternative solution.

Of course, if you have already secured funding to attend the OSM and do not need PAGES' support, or if you are unable to attend the OSM, we would appreciate you letting us know as soon as possible.

We look forward to seeing you in Zaragoza.

With kind regards,

**Marie-France Loutre (PAGES Executive Director)**

On behalf of the Scientific Program Committee.
