CENTRAL UNIVERSITY OF KERALA

DEPARTMENT OF PHYSICS

**REPORT**

**Physics Education: Indigenous Instrumentation and Computational Resources**

Department of Physics, CUK has organized one day seminar on Physics Education: Indigenous Instrumentation and Computational Resources on 1<sup>st</sup> November 2019. In the lecturer Prof. Deshdeep Sahdev, IIT Kanpur mentioned the development of science and the needs of indigenous instrumentation required in various research programme. He has also motivated the participants by showcasing the fabrication of various sophisticated instruments and its research outputs. He has also mentioned the skills required for the fabrication of such instruments. The training received from the talk was very helpful for the employability of students and to start entrepreneurship. About 48 participants were attended the programme.

*"I don't teach  
courses, I teach  
students"*

One-day Seminar on  
**Physics Education: Indigenous Resources**  
November 1, 2019

*Lecture by*

**Professor Deshdeep Sahdev**  
(IIT Kanpur)

*Topic*

*Physics Education and Research:  
Indigenous Instrumentation and  
Computational Resources*

Seminar Hall

**Department of Physics**

10.30 am

*Afternoon*

Interactive Session

1.30 pm

01 November 2019

Name: D. Sahdev

Title: Physics Education & Research : Indigenous instrumentation & <sup>Computational Resources</sup>

Venue: Seminar Hall, Namada

Time: 10:30 am.
