REPORT

Lecture series on Shell Model calculations

Department of Physics, CUK has organized two days Lecture series by Prof. BRS Babu, Former Head University of Calicut and Former Head Suthan Qaboos University, Oman. Dr.Prasad welcomes the gathering and Dr.Swapna S Nair, Head of the Department made the introductory remarks. In these days he had given the importance of shell model calculation in nuclear physics research and in the curriculum. The skill that received from the talk helpful for the students to carry out their research in the areas of nuclear physics. About 40 participants were attended the programme. Prof. K. J Thomas made the concluding remarks and Dr.P. M Aneesh proposed the vote of thanks
