## Central University of Kerala

Central university of Kerala came into being under the Central Universities Act 2009. The university is founded on the noble vision of a caring wisdom and is guided by the lofty ideals of academic and social commitment.

### Department of Social Work

The department of social work was started with a master program in 2012. The department aspires to become the Centre of excellence in developing social work professionals in promoting justice and empowerment, with a judicious mix of theory and practice. The department focuses on imparting evidence based intervention at the individual, group and community level by the collaboration and cooperation with public, voluntary agencies and para professional agencies. As part of social responsibility initiatives of the department, a capacity building program for teachers against drug abuse is being organized .

### About the Program

Drug abuse and drug related crimes represent one of the major and still rising problem in Kerala. On the light of various recent issues, there is a need for a system of prevention. The aim of this program is to analyze the problem of drug abuse in our district and the scope of its prevention strategies. We aim at analyzing the possibility of capacity building, health promotion and drug prevention among the students. As we all know teachers have great role in addressing these issues and attending such a programme would be helpful in tackling various problems related to drug abuse.

Reach for Stars Not for Drugs

### Our Objectives

- To achieve maximum productivity, retain good education system through creating awareness about impact of drug abuse.
- Psychosocial management of students with drug abuse.
- Understanding the concepts and miss concepts about usage of alcohol and drugs.
- Understand how substances use and disorders intersect with students and other social problems.
