

Central University of Kerala, Kasaragod is organising a workshop on science writing from the afternoon of **25th March to 30th of March 2019**.

The workshop aims to improve skills for writing different types of manuscripts, reviews, project proposals. There will be a special focus on writing science for various target groups among the citizens of India.

The trainers have a track record of conducting successful workshops for Current Science, Vigyan Prasar, IISERs, and Indian universities/research institutions.

The workshop will be preceded by a Virtual Online Workshop and followed by two-weeks online mentoring. The participants expected to take part in online interactions actively.

Only twenty two persons will be selected for the workshop in a batch to allow group discussions, interpersonal interactions and hands on training.

Applications are invited from interested PhD scholars, young faculty members in Indian universities, colleges, and scientists in Indian research institutes.

Registration fee (for selected candidates): Rs. 1000 (Ph.D. students of CU-Kerala); Rs 3,000 (for outstation candidates; to be paid on selection).

Arrangements will be made for the boarding of the selected participants in dormitory facility. Vegetarian working lunch for outstation participants will be arranged.

The details of the workshop and the application form are available at:
