**A report of the webinar on
COVID VACCINES -An overview**

Department of Public Health and Community Medicine, under the aegis of APJ Abdul Kalam Centre for Extension Services, conducted a webinar on 'COVID Vaccines - An overview' on 29 January 2021 at 3pm. Dr. Anish. T.S (Associate Professor of Community Medicine, Government Medical College, Thiruvananthapuram & Member of State Expert Panel for COVID-19, Kerala) conducted the class. Around 50 participants attended the webinar. The topic was indeed of great relevance in the current scenario where the government is facilitating vaccination despite the confusions still persist among the general public and even among experts.

Dr Anish TS discussed the necessity of vaccination against COVID-19, the current vaccines in use, their safety and mechanism of action in detail. Along with that the ancient history of vaccination and the early developments in modern vaccination were discussed. The webinar also pointed out the concerns of the general public due to lack of adequate awareness.

The webinar was chaired by Professor Dr.KR Thankappan and Mr. Kodali Prakash Babu, Assistant Professor, Dept. of PH and CM welcomed the participants, and Jayalakshmi Rajiv, Assistant Professor, Dept. of PH and CM recited vote of thanks.
