- ✦ Based on the personal interview of the each candidate and discussion of the synopsis of research proposal submitted by them, the DRC recommends the following candidates for PhD admission into the Department of Chemistry.

1. Akshaya E.

- ✦ The DRC has also allotted the Research Supervisors to the selected PhD students based on their research proposal as follows:

Name of the Student	Title of the Research Proposal	Allotted Supervisor
1. Akshaya E.	Synthesis, Characterization and Dye Sensitized Solar Cell (DSSC) Application of <i>trans</i> -Porphyrins.	Dr. Ravi Kumar Kanaparthi

- ✦ The DRC expressed their inability to fill the advertised SIX (6) PhD positions of SC/ST due to lack of qualified applicants (either in CUCET or in any national level examination). The DRC has also taken a note of the existing PhD scholars' roster and it was observed that there are no PhD students who belong to either SC or ST out of the SIXTEEN (16) students, since there is no SC/ST candidates turn around for the last three interview. In view of the above, the DRC strongly recommends for special drive to fill

the existing SC/ST vacancies. If necessary, the Department is ready to conduct the special PhD entrance test.

The DRC also discussed and finalized the following about Ms. Preeti Sahu working under the guidance of Dr. A. Sakthivel.

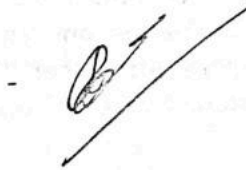

- ↓ The DRC has recommended the Medical Leave of Ms. Preeti Sahu from 17.05.2018 to 16.07.2018 based on medical certificate.

The meeting came to a close at 12.30 p.m.
