

பிக்டிகளை முறையான விளைகளுக்கு கீழே

que se realizó en el año 2000, que incluyó la creación de la Comisión Intersectorial para la Gestión del Agua.

ஏன் என்றால் அதை விடுவது என்ன என்றால் அதை விடுவது என்ன?

After the meeting, many individuals and organizations involved in the project gathered together to discuss their findings and to plan for future research.

and the other two were the same as the first. The last was a small
black bird with a long tail, which was very like a sparrow hawk.
The first bird was a large black bird with a long tail, which was
very like a sparrow hawk. The last was a small black bird with a
long tail, which was very like a sparrow hawk.
