#### **ABSTRACT:**

The concept of New India has derived from the Bharatiya Janata Party (BJP) led National Democratic Alliance (NDA)'S Central Government of India. This government has launched a "Sankalp se Siddhi" (Attainment through Resolve) scheme in 2017, which aims at good governance and it is a five-year plan under which new India movement from 2017 to 2022 would take place. Moreover, this movement has envisaged that India has to free from poverty, corruption, terrorism, communalism, casteism as well as uncleanliness and unite entire country by adopting good governance as well as using technology for solving these problems. This BJP led NDA Central Government of India has expanded this and adopted a 'Strategy for New India @ 75 with India's state commitment to United Nation's Sustainable Development Goals. Moreover, this government has defined clear objectives for the 2022-23 under four sections such as (I) Drivers, which focuses on engines of economic performance in macroeconomic terms on growth and employment. (II) Infrastructure, which deals with the physical foundations of growth. (III) Inclusion, which deals with urgent task of investing in the capabilities of all of India's citizens. (IV) Governance, which delves deep into how the tasks and business of government can be streamlined and reformed to achieve better outcomes. All these are also to achieve a New India in India etc. A social reformer is someone who tries to improve a system or law by changing it. Moreover, a social reformer is anyone who advocates for reform of a certain area of society also. However, this article has covered an investigated useful ideas from India's social reformers for building in order to achieve a new India in India for above mentioned six goals purpose.

#### **INTRODUCTION:**

The Bharatiya Janata Party (BJP) led National Democratic Alliance (NDA) of Central Government of India has launched a "Sankalp se Siddhi" (Attainment through Resolve) scheme in 2017, which aims at good governance and it is a five year plan under which new India movement starting from 2017 to 2022 would take place.

The New India Movement of 2017 to 2022 envisages that India has to be free from poverty, corruption, terrorism, communalism, casteism and uncleanliness. In order to achieve these, entire country has to be unite by adopting good governance and using technology (The Economic Times, September 13, 2017). The year 2022 marks the seventy fifth(75<sup>th</sup>) anniversary of India's independence. By then Prime Minister of India Narendra Modi has envisioned transforming India into a New India in India like a strong, secure and prosperous nation where everyone has an access to opportunities of development (Bibek Debroy, Anirban Ganguly, Kishore Desai (editors),(2018)). The Prime Minister of India Narendra Damodardas Modi has called for this Sankalp
