Kasaragod (DT), Kerala – 671316.

About the Institution

The Central University of Kerala, Kasaragod, came into being in 2009 under the Central Universities Act 2009 (Parliament Act No. 25 of 2009). The University is founded on the noble vision of a 'Caring Wisdom' and is guided by the lofty ideals of academic and social commitment, moral steadfastness and intellectual and spiritual enlightenment, as reflected in its vision statement. The Central University of Kerala (CUK) here is ranked among the top 150 premier educational Institutions across India, as per the National Institutional Ranking Framework (NIRF 2019) survey.

About the Department

The Department of Computer Science started functioning in Aug 2011. The Department offers MSc Computer Science with a specialization in Intelligent Systems. The courses are designed with the objective of equipping the students for the IT industry and for streamlining them for taking up research in Intelligent Systems. State of the art computing facilities are available in the Department. Currently the department has two labs – General Computing Lab and Signal Processing and Intelligent Systems Lab. Both the labs have high-end Apple i-Mac and Apple Mac Pro systems. The Intelligent Systems Lab is also equipped with high-end research tools and software. The Department recently started Param Shavak Super Computer Center. The Department also offers a Ph.D programme in Computer Science. Since its inception, the Department has been organizing a host of curricular and co-curricular activities aiming at the academic enrichment of the students and faculty.

About the Program

The course has been designed to give students an extensive overview of cyber security issues, tools and techniques that are critical in solving problems in cyber security domains. The course aims at providing students with concepts of computer security, cryptography, digital money, secure protocols, detection and other security techniques. The course will help students to gauge understanding in essential techniques in protecting Information Systems, IT infrastructure, analyzing and monitoring potential threats and attacks, devising security architecture and implementing security solutions. The students will also have a wider perspective to information security from national security perspective from both technology and legal perspective.

Learning Outcomes

✓ Understand, appreciate, employ, design and implement appropriate security technologies and policies to protect computers and digital information.

✓ Identify & Evaluate Information Security threats and vulnerabilities in Information Systems and apply security measures to real time scenarios

✓ Identify common trade-offs and compromises that are made in the design and development process of Information Systems

✓ Demonstrate the use of standards and cyber laws to enhance information security in the development process and infrastructure protection

Resource Persons

Experts from Industry, Academia, R&D Organizations will deliver expert talks to make participants aware of the Cyber Security along with Practical Sessions.

General Information

➢ Eligibility: The programme is open to Faculty / Research Scholars from Universities/AICTE recognized Institutions

➢ Maximum Number of Participants: 50 (Selection on the basis of first come first served)

Inauguration of 5- DAY AICTE Training And Learning (ATAL) Sponsored Workshop on 'Cyber Security'

Inaugural Session was started by a Prayer and Welcome address was given by Dr. Manohar Naik S, Coordinator of Workshop, Assistant Professor, Dept of Computer Science, Central University of Kerala. Introductory Speech was given by Dr. Rajesh R, Head & Associate Professor, Dept of Computer Science, Central University of Kerala. Presidential Address was given by Prof. (Dr.) M.R.Prathapa Chandra Kurup, Dean, School of Physical Sciences, Central University of Kerala. After lightening lamp, the 5- DAY AICTE Training And Learning (ATAL) Sponsored Workshop on 'Cyber Security' was inaugurated and Inaugural address was given by Prof. (Dr.) G. Gopa Kumar, Hon'ble Vice Chancellor of Central University of Kerala. Keynote Address was given by the Chief Guest Mr. Dittin Andrews, Principal Technical Officer, CDAC, Bangalore. Vote of Thanks was given by Dr. Thasleema T. M., Assistant Professor, Dept of Computer Science, Central University of Kerala.

The Day-1 workshop Session-1 and Session-2 were handled by Mr. DITTIN ANDREWS, Principal Technical Officer/Scientist, Cyber Security, CDAC Bangalore on 'Infrastructure & Network Security' and 'Cyber Security Vulnerabilities & Safe Guards'. The sessions were informative, interactive and very useful.

The Day-2 Workshop Session- 3, Session-4 and Session-5 which were taken by Mrs. Suma, CTO, STAC Cyber Arc Pvt Ltd., Cochin on 'Cyber Security and Ethical Hacking' , 'Cyber Attack and Defense' and 'Threat Intelligence'. The Session were mainly practical and demo based. These sessions were more interactive with participants and very interesting.

The 6th, 7th and 8th sessions on Day-3 were handled by Mr. Mahendra Pratap Singh, Assistant Professor, Dept of CSE, NITK, Surathkal on 'Cryptography & Cryptanalysis', and 'Authorization & Web Security'. The sessions were fully enriched with basic level to more advanced level and many research related issues have also been addressed.

The Day-4 session-9, session-10 and session-11 were taken by Dr. Hiran V Nath, Assistant Professor, Dept of CSE, NIT Calicut on 'Cyber Security Concepts' and 'Malware Concepts'. Sessions were more informative, highly enriched, research oriented, more interactive and very useful to the particpants.

The Day 5 sessions Session-12, Session-13 and Session-14 were handled by Dr. Manohar Naik S, Assistant Professor, Dept of Computer Science, Central University of Kerala on 'Recent issues on Cyber Security'. In these sessions recent threats, most common threats and it's countermeasures, demo on password hijacking, keyloggers and phishing attacks were presented effectively. These sessions were more useful to the participants.

Valedictory Function

The valedictory function was chaired by Prof.(Dr.) Prathapa Chandra Kurup, Dean, School of Physical Sciences, Central University of Kerala, Dr. Rajesh R, Associate Professor, Dept of Computer Science, Central University of Kerala, Dr. Thasleema, Kumar V, Dept of Computer Science, Central University of Kerala. A feedback session was also arranged.

The certificate distribution was held during the valedictory function.

The workshop was a success as all the participants were successfully enriched knowledge at the end of the workshop. The response from the participants about the workshop is very good and positive and as per the feedbacks they would want to attend such more hands-on workshops further in future.
