In compliance with the applicable provisions of the Goods & Services Tax (GST) legislation in India, GST at applicable rates (currently 5%) is chargeable on our different products. GST is a consumption based tax and therefore its burden in all cases is solely on the customer. Price(s) quoted above are **exclusive** of the applicable GST. In this regard, in view of the several amendments made by the Government of India (GoI) in the GST Law, the position of GST levy and its rate as applicable on the date of issuance of our invoice shall apply.

In case your organization is registered with the Indian GST department, you will be required to deposit the GST on reverse charge basis directly to the GoI. However, this is subject to your organization furnishing a copy of its GST Registration certificate before our invoicing. Alternatively, if your organization does not hold a GST registration or cannot provide its GST Registration certificate, GST may be charged by us for onward payment to the GoI.

However, in an event where your organization is exempt from the GST under the applicable rules, we should be informed of it at the first available opportunity but in no case later than issuance of the purchase order by your organization. In such a case, please also furnish a letter in the attached template clarifying the facts applicable in your case and reference to the relevant notification, etc. for claiming the exemption. Kindly note that our internal systems do not allow any amendment in / cancellation of our invoice(s) after the same are issued. Therefore, no request for change in invoice including but not limited to amount payable by your organization can be entertained after receipt of Purchase Order by us.

All rights and obligations with respect to the products and services identified in this proposal or the final invoice will be governed by Springer Nature's Product Terms and General Terms and Conditions, to be found at:

Benefits of TERI eBooks

These features are available after registering with us:

Perpetual Access- with TERI Press Online Library, you get perpetual access to the bought e-Books which means it remains with the library for the five years without any maintenance charges.

24*7 Access- You get access round the clock wherever IP's work,

Federated Search- Instructions and configuration settings on how to access our federated search service,

Marc Records available for encoding book titles,

Online & Offline Access, Restricting the validity (time period of use) of the eBook for the Library model,

Download and Print: Unlimited with unlimited print

Personalised Bookshelf, and **Usages Reports**.
