Dated the 29th June 2010

Dear Dr. Arora,

Sub: Providing Access to e- resources: Reg:-

Ref: 1. INFL/UGC-INF/2010 dated 16th March 2010

2. DIR/UGC-INF/2010 dated 09th June 2010

I am very much grateful to you for extending a 10 Mbps Internet connectivity to our University. The access speed and reliability of the connection are good. Being a new University, the Central University of Kerala is not a member of the UGC-INFONET consortium and hence the digital resources provided through the INFONET programme are not available to the academic community of our University. We very much like to get the benefit of the UGC-INFONET consortium. The Central University of Kerala is now offering post graduate and research programmes in the following subject areas.

1. Comparative Literature
2. Economics
3. Biochemistry and Molecular Biology
4. Animal Science
5. Genomic Science
6. Physics

We are also planning to start new courses in Science, Social Science and Humanities.

Hence, I request your good self to make arrangements to include Central University of Kerala in the UGC-INFONET consortium and make us available the online journals and others digital resources through the UGC-INFONET programme.

Thanking you,

Sincerely,

(Jancy James)

Dr. Jagdish Arora
