FACULTY DEVELOPMENT PROGRAMME (FDP) ON CURRICULUM & TECHNOLOGY

(Seven Days, 05/01/2017 to 11/01/2017)

CENTRAL UNIVERSITY OF KERALA

The Central University of Kerala, Kasaragod, came into being in 2009 under the Central Universities Act 2009 (Parliament Act No. 25 of 2009). The University is founded on the noble vision of a 'caring wisdom' and is guided by the lofty ideals of academic and social commitment, moral steadfastness and intellectual and spiritual enlightenment, as reflected in its vision statement. Located in a region characterized by linguistic and ethnic diversity and cultural richness, the University seeks to harness the local resources – human, intellectual, social, artistic and cultural – while bringing in the best that is globally available, thus maintaining a fruitful, symbiotic relationship with a region that badly needs an educational uplift. The academic excellence of the university has crossed all institutional barriers in the recent years and its name has reached to all states and even countries outside our continent.

SCHOOL OF EDUCATION & PMMMNMTT

The School of Education was started in Central University of Kerala in the year 2015, which aims to promote a cadre of professionally qualified teacher educators to meet the needs and challenges of the Knowledge Society across the globe. The school promotes pedagogical research and endeavours to achieve excellence by facilitating quality teacher education. The instructional strategies of the department focus on personalized instruction, multiple learning strategies and learner-centric classroom environment. Personalised skill based training is provided in the department to meet the challenging roles of teacher educators in the 21st century. The University and the department of Education have honoured by MHRD with 'its prestigious PMMMNMTT project'.

ABOUT THE PROGRAMME

The main objective of the Faculty Development Programme (FDP) in "Curriculum & Technology" is to upgrade the teaching and content development skills of teachers in higher education. The programme enables the participants to develop competence to understand recent advancement in teaching methodology, effective presentation techniques and behavioural skills to become an effective teacher. The programme equips the faculty with the latest tools and techniques for effective teaching through discussions, group work, lectures, workshop exercises, assignments, projects. The programme creates value orientation among teachers while adopting technology in classrooms.

OBJECTIVES

The specific objectives of this programme is to

- Develop an appreciation for the professional development of teachers in view of changing roles and responsibilities of higher education in the 21st century
- Understand the significance of alignment amongst the fundamental elements of effective teaching and learning
- Integrate the latest technological advancement in curriculum design and learning
- Comprehend easier ways to integrate the latest technological tools in one's classroom teaching
- Get motivated to publish in top-notch journals by understanding the expectations and basics of indexing and citations
