BUILDING A RAGGING FREE CAMPUS

It is indeed very noteworthy that there have been no ragging incidents reported in the University till date and to maintain this ragging free atmosphere in the campus, the Anti Ragging Committee makes sincere efforts from its side. The following is a brief list of activities being carried out by the committee in the University:

The students are given awareness on ragging and its consequences in the beginning of the new academic year and are made to fill the online anti ragging undertaking.

- Every Student is given an information card related to ragging with the contact details of CUK-ARC members and National level helplines.
- Department level welcome party in the presence of faculty members to ensure healthy interaction between seniors and juniors.
- Display of anti-ragging posters with contact details of CUK- ARC members and national level helplines at all prominent places.
- Installation of CCTV cameras at prominent places for further safety.
- Uploading of the copy of “UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” in CUK website along with the contact details of the anti-ragging committee members and national level helplines.
- The wardens of all hostels are frequently contacted to make sure that no ragging takes place in hostels.
