The Chairperson informed the Council about the sad and untimely death of one of the young Assistant Professors in the Department of Plant Science, Dr. (Ms.) Viji R I, in a car accident near Kodungalloor on 5th March, 2015. The Chairman also informed that she was returning from Trivandrum after attending a Seminar along with her husband, Dr. Sameer Kumar V B who is also a faculty member in the Department of Biochemistry & Molecular Biology. As a mark of respect to the departed soul, one minute silence was observed by the Council members.

The Chairman also informed the Council that on 10.2.2015 some people having land adjacent to the University boundary have illegally trespassed into the property of the University and forcefully dragged the property into their illegal possession. University had earmarked six metres of land for construction of road for the public that was deeply dug out about two to three metres, posing danger to the compound wall. The total loss is estimated to Rs.35.00 lakh by the CPWD. The local police registered a case and is under investigation. The matter was reported to the MHRD along with the report of the Sub-Collector.

The Chairman expressed his concern over the slow pace of construction work by CPWD and delay in starting the work by RITES. Due to shortage of buildings, the University is not able
